

Twenty years of Cheese Pipes

metelec engineers

The Cheese Pipe People

Cheese pipes, Precision Steel Tubes

JUMBO PIPES Are now also Available in MS, with or without MICRO-grooving and zinc plating

Ordinary ERW Pipes | CR Precision Tube | MS Cold Drawn Cheese Pipes
Aluminum Cheese Pipes | High Tensile Distortion-less Pipes | Cold Drawn Seamless Tubes
Structural Tubes Round or Rectangular

In all Diameters and Dimensions With or Without Notching
or Holes With or without Zinc Plating or Powder Coating Export Packing

Hard Drawn Tubes: Dimensional Stability will be better | Finishing will be better | Strength will be higher | Better circularity
Less vibration | Lower weight | Higher hardness

Our New Factory Address

Factory: 244/10, GIDC Estate, GAIL Road, Waghodia, Vadodara 391 760 Gujarat India. **Phone:** +91 2668 262168
